

FOUNDATIONS FRIEND BUCKS!

We are so glad you shared your love of camp with a friend! As a token of our appreciation, we have come up with some rewards for both you and your friend. For every friend you get to attend camp for the first time, you will earn one Friend Buck to spend. Rewards will be given at the end of the season, to make sure all of the claimed "friends" attend. At that time, campers will be contacted by email and allowed to make their choices. Prizes will be available for collection the following week. We will also give your friend \$5 to spend at the snack shack, the week they attend. In order for both parties to receive their prizes, the form on the back of this must be completely filled in with both signatures. Give us a call, if you have any questions.
