

April Highlights at Foundations EDU

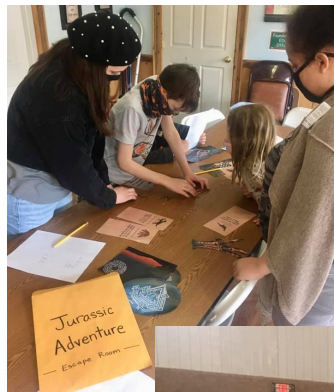

Our talented artists were back at it! Our flowers turned out wonderful and we had so much fun painting the beautiful signs made by one of our local businesses The 315 Studio. What a fun way to welcome Spring!

So pretty you can almost smell them!

Hear ye! Hear ye! Medieval week was a smashing success! We learned about Medieval culture, and showed our skills, strength, and speed in a variety of Medieval challenges.

Digging up a great time for Dinosaur Week!

Thank you to our volunteers Mr. Wade Smith, Mrs. Makayla Kemmerman, Ms. Tara Fresch, Senior Airman Pietricola, and Deputy Sheriff Curtis.

We left feeling inspired by our volunteers from Everyday Hero Week.

THANK YOU!
